

An aerial photograph of a luxury motor yacht, the M/Y Giorgio, sailing on a deep blue sea. The yacht is white with a dark blue hull and a large dark blue canopy over the cockpit. It is moving from the top left towards the bottom right, leaving a white wake. The yacht has multiple decks, including a lower deck with large windows and an upper deck with seating and a helm station. A red flag is visible at the stern. The overall scene is bright and clear, suggesting a sunny day.

OVERVIEW

The Monte Carlo 86 Giorgio is a luxurious yacht renowned for her elegant design and exceptional performance on the water. With a length of 26.20 m, she offers ample space for relaxation and entertainment, making her ideal for cruising in style. This yacht boasts sophisticated interior design, featuring high-quality materials and attention to detail throughout her spacious cabins and salon. Guests are always greeted with a bright and airy atmosphere. The space is thoughtfully laid out to maximize comfort and functionality. The Master cabin in the Monte Carlo 86 yacht is a luxurious getaway. Big windows let in lots of sunlight, making the room feel cozy and peaceful. These windows also give a great view of the sea all around, letting you feel connected to the sea, so you can enjoy the beautiful scenery while relaxing in your room. Giorgio has strong engines that make her go fast and stay steady on the water. This insures a smooth and fun ride when you're on board, making your sailing experience enjoyable and comfortable. Whether you're having a reunion with loved ones or going on a peaceful trip, this yacht is all about being classy and comfy while you're out at sea.
