## Duje Nazor

### FIRST OFFICER

Croatian

Duje has been drawn to the sea from a young age, leading him to pursue a career in maritime navigation. After graduating from the Maritime Faculty in Split, Croatia, he quickly gained hands-on experience, starting as a cadet and progressing to an officer position on the expedition cruise ship M/S Seaventure in Antarctica. Duje has also worked as a deckhand on yachts in the Mediterranean and Caribbean, as well as a skipper in Croatia. With his strong communication skills, Duje excels in multicultural environments and takes a proactive, responsible approach to his duties. With his diverse navigational experience, sense of duty, and positive attitude, he is a valuable member of the team. Outside of work, Duje enjoys windsurfing and open-water swimming, always eager to explore new challenges.

## Kresimir Milic

### CHIEF ENGINEER

Croatian

Kresimir is a highly skilled engineer with a strong background in electrical and electronic systems, complemented by advanced computer expertise. Graduating from the Maritime University of Split as a Mechanical Engineer, he has been working onboard yachts since 2016, gaining extensive experience on worldwide cruises. He understands that a yacht is a complex, interconnected system that thrives only through the dedicated effort of every crew member. Kresimir approaches his role with great dedication, enjoying challenges and consistently planning ahead to ensure smooth operations. Beyond his professional skills, Kresimir is known for his friendly nature and ease in connecting with people from all over the world — a perfect fit for the dynamic and multicultural environment onboard. When he's not ensuring the yacht runs flawlessly, he enjoys water polo, swimming, car racing and drifting, as well as modifying and building cars. Guests can relax knowing Kresimir's expertise keeps all systems running flawlessly, ensuring the yacht operates at its best throughout their time onboard.
