DESCRIPTION

Renata is a 40.8-meter motor yacht that blends space, elegance, and a relaxed sense of luxury. Built for families and friends who value comfort and privacy, she offers the feel of a much larger vessel, designed for effortless living at sea. She welcomes up to 12 guests in six beautifully designed staterooms - one master, four double, and one twin cabin. The entire master suite occupies a private deck, creating a true sanctuary at sea. Guests can enjoy their own lounge, balcony jacuzzi, and an intimate terrace perfect for a quiet morning coffee or a sunset drink. The lower deck features the remaining five guest cabins, each with en-suite bathrooms equipped with double sinks and chromotherapy showers. Two aft cabins - one with a double bed and one with a twin bed - can be connected to form a spacious family suite or a secondary master accommodation, offering great flexibility for groups or families traveling together.
