Sunreef 60 SINATA is a luxury sailing catamaran with a modern custom design, panoramic windows, ensuite cabins, open-air living, and premium water toys for unforgettable cruising. Sunreef 60 SINATA is a smart, elegant, and modern catamaran designed to deliver exceptional space and comfort at sea.

Huge panoramic windows flood the saloon with natural light while offering breathtaking 360° sea views. Sliding glass doors on both sides of the living area seamlessly transform the interior into a spectacular open-air lounge.

All cabins are ensuite and fully air-conditioned, with individual controls for personalized comfort. The master and guest cabins reward you with endless sea views, from sunrise to sunset.

Perfect for family cruises, romantic getaways, or gatherings with friends, SINATA blends luxury with versatility. Al-fresco dining areas on the cockpit and flybridge invite relaxed meals under the open sky. A hydraulic swimming platform lowers to sea level, creating effortless access to the water and water toys. The tranquil bow terrace, complete with lounging space and hammock, is ideal for sunset drinks and pure relaxation.

Combined with a professional crew, premium amenities, and exciting water sports, Sunreef 60 SINATA was born to let your dreams set sail.
