CAPTAIN

Croatian

Extremely motivated individual and enthusiastic team player with an extensive working knowledge of the industry and a great range of experience including new build constructions, warranty and refits. Having considerable maritime qualifications alongside my practical experience. I am very loyal, strong organizational and interpersonal skills, passionate sailor and skipper with 10 years of experience on Adriatic, east coast of Italy and Montenegro. Well - known for all kind of maintenance and repairs. I used to work on yachts with one or more crew members, so my organization and communication skills are very well trained. Working directly with the public to ensure a positive experience. Demonstrated experience in commercial tour boat operation. Client-friendly and professional service provider.
