OVERVIEW

Cruising the idyllic waters of the Adriatic, up to eight guests can experience the exhilarating thrill of chartering this fast and fun yacht. Refit 2024 brought a new hull paint, new underwater lights, new air-conditioning, small interior decoration improvements, and IPTV while the 2023 refit has been crafted with the charterer in mind offering a clean and fresh interior with new upholstery. The cockpit hard top when open allows light and air to flood into the saloon and is a great feature. There are three air-conditioned staterooms with one berth next to the galley. The full beam master stateroom offers a queen-sized bed and en suite, while the VIP stateroom also offers a queen-sized bed and slightly smaller en suite. One double stateroom with an en suite with a shower. A convertible bed can be found next to the galley and is a seating area that can be transformed into a double bed. All staterooms are equipped with LCD TVs, IPTV, Bose sound system, DVD, and WiFi internet via 3G/4G. Al fresco dining is available on the aft with the option of a BBQ and the sun lounging area can be found on the bow, perfect when at anchor or entering port. A range of water sports toys including a Jet Ski Sea Doo are available.
