OVERVIEW

Born to be at the top of its class, she set a fashion with her refined lines, the perfect combination of classic yet modern and sporty, the best of both styles. Maiora 20S HOPE I might be the smallest yacht from the Maiora range but it is absolutely perfect. Her 4 luxurious staterooms can comfortably accommodate up to 8 guests, she is equipped with a great selection of water toys allowing perfect entertainment moments and her attractive flybridge makes the appearance of the yacht really outstanding.

In 2020, additional improvements were made, which included new cushions outside, new Bimini, new glass on the flybridge, complete teak treatment, 2 new WiFi routers with new satellite antenna, new TV, extensive service of the MTU engines, cosmetic repairs on the hull. Improvements in 2016: new custom-made mattresses (Hilton five-star standard) for all the beds onboard, new curtains on the whole yacht, complete new Bose hi-fi system, smart TV, all new speakers, new satellite TV system KVH 6, new floor carpets on all the floors, new chairs in the cockpit, new teak table on the flybridge, new ice maker, additional freezer in the engine room.
