CREW PROFILE

JOHNSON BABY JOHNSON 87

Captain **ZELJKO MUSIC**

Nationality Croatian

Zeljko is dedicated and highly motivated individual, who is adaptable and loves to work in a team environment. Zeljko has high work ethic and is very experienced with more than 15 years in this industry. In winter months Zeljko is usually the person who is called when new yachts have to be delivered from the shipyard to the home port. New challenges and open sea is what excites him everytime.

Chef

Nationality

To be advised

Chief Engineer **IVAN STRICEVIC**

Nationality Croatian

Ivan since a young age had passion for engines and loved to fix things around his house on his own. As he grew older he pursued his passion and enrolled in Marine engineering high school in Split, Croatia. Ivan has gathered already years of experience and he is known as "go to guy" for the advice when someone has an issue with their engine. The Johnson baby team is happy to have such enthusiastic and reliable person as part of their team.

Hostess **MATEA POLJSKI**

Nationality Croatian

Matea is very energetic and fun individual who loves work in a team. Her experience on mini cruisers in Croatia as a hostess has taught her discipline and working under pressure. She loves to communicate and to create memorable experiences for the clients. Matea will make sure that every detail is in order so you can have really relaxed holiday.

Deckhand **DOMAGOJ DŽANKO**

Nationality Croatian

Domagoj is hard working with excellent social skills. He enjoys spending his time on the sea since young age. Domagoj grew up surrounded with boats and fell in love with this industry. Domagoj loves every aspect of the boat but his true passion and aim is to be an engineer. He finished industrial highschool with orintation in ship machanincs. Domagoj is perfect addition to the team and the crew is happy to have him.
